

REGULATION
ON THE APPEARANCE, FORM AND CONTENT OF TICKET AND
ELECTRONIC CONFIRMATION OF BETTING STAKE

"Official Gazette of the Republic of Serbia", No 58, dated 3 July 2025.

Article 1

This regulation prescribes the appearance and content of the betting ticket for special games of chance - betting, as well as the form and content of the electronic confirmation of the betting stake, when special games of chance - betting are organized through means of electronic communication.

Article 2

A ticket is a confirmation of placing betting stakes in special games of chance - betting, which is rectangular in shape, in printed form, on which the end of the ticket is reserved for a QR code and which must contain the following:

- 1) identification number of the placed betting stake;
- 2) information about the organizer;
- 3) amount of the betting stake;
- 4) time of payment of the betting stake;
- 5) QR CODE.

Article 3

The electronic confirmation of the betting stake, when special games of chance - betting are organized through means of electronic communication, is in free form, on which the organizer uses only one logo and which must contain the following:

- 1) player identification number;
- 2) betting stake identification number;
- 3) organizer name;
- 4) amount of the betting stake;
- 5) time of payment of the betting stake;
- 6) QR CODE.

Article 4

Organizers of games of chance - betting, or organizers of games of chance through means of electronic communication, are obliged to generate a QR code from Articles 2 and 3 of this Regulation, the scanning of which confirms whether the ticket, or electronic confirmation of the betting stake for games of chance - betting, has been sent to the information system of the Games of Chance Administration.

The QR code from paragraph 1 of this Article contains a generated URL address (Uniform Resource Locator) for checking tickets, i.e. electronic confirmations of the betting stakes for games of chance – betting.

The QR code referred to in paragraph 1 of this Article shall be of such a size and shape that it is a machine-readable designation.

The method of generating the QR code referred to in paragraph 1 of this Article is regulated by technical instructions published by the Games of Chance Administration on its website.

Article 5
